

It is a great time to be a church leader, because the market is overflowing with so many options for your worship facility. Here are some of the products and services that stood out to us this year.

Kentec AV

Kentec AV is committed to providing high-quality audio/video products and services to churches. Their team consists of over 80 years of combined experienced professionals who are dedicated to delivering exceptional results and ensuring customer satisfaction. They specialize in LED walls, custom sound systems, acoustic treatments, lighting systems, and CCTV camera systems.
